Thinking about creating a Will, Lasting Powers of Attorney (LPAs) or having to deal with the events following a loved one's death can be a daunting prospect. We are here to take those burdens away and help you deal with these inevitable aspects of life with both sensitivity and care. We have a dedicated team of lawyers who have a wealth of knowledge and experience in providing advice in each of these areas.

We pride ourselves on listening to the individual's circumstances and our ability to tailor advice accordingly, ensuring they receive the best and most appropriate advice.

Whether it involves complicated family dynamics or other financial matters – we have the necessary experience and expertise to help.

We also offer home visits for infirm clients who are not able to attend the office in person. All our lawyers are fully DBS checked, so you can feel confident in asking us to attend at your home to discuss your matter.

Finally, many of our lawyers are STEP (Society of Trust and Estate Practitioners) qualified ensuring the highest standards of service are provided.
